6. [redacted] Comment. Possibly Kueiyang (106-43, 26-35) is meant, since there is a direct road connection between this city and Chungking. However [redacted] the 5 Army was to be transferred from Sian (108-34, 34-16) to Chenghsien (113-40, 34-45) [redacted] the 5 Army is on route from Sinkiang to the Northeast. It is not clear to this office why supplies for the 5 Army should be moving westward to Chungking and then southward into Kweichow when the 5 Army, [redacted] is north of Chungking and is traveling eastward.
